Suggested subject line for e-mail: “Jeremy’s Story”

Dear Colleagues:

Meet Jeremy. Sorry we can't show you his face, but his story is a sensitive one. Jeremy had to be removed from his parents' home at age six due to drug abuse and violence. He was brought to a fantastic, CFC-supported charity that provides temporary shelter for children until a permanent solution can be found.

When Jeremy arrived at the CFC charity, his shoes were tattered, and he had to start school the very next day. But thanks to donations like yours, when Jeremy came back to the shelter after his first day of school, he was presented with a pair of brand-new shoes—the first new pair he had ever owned.

Jeremy was so excited! It felt so good to know

that someone cared about and loved him. Now he is in a much better situation, but he will never forget that something as simple as new shoes can make all the difference in the world to someone in need. Of course, it wasn't really about the shoes—it was because someone cared enough to Show Some Love!

Thank you!
