

Top 10 Reasons To Support the Combined Federal Campaign

10. It's non-fattening! Give up one donut, bagel or quadruple-extra-tall latte per week and donate the equivalent to a CFC charity of your choice. Support a great cause... and watch the pounds melt away!
9. It's environmentally friendly! Online pledging saves paper, and saving paper saves trees. And of course, saving trees improves the environment (and guys, chicks dig dudes who save trees)! Also, did you know the CFC has a recycling program?
www.intermountaincfc.org/AboutCFC/RecyclingProgram.aspx
8. It's easy! You don't have to attend an all-day training seminar or even call tech support to pledge via CFC.
7. It's a guilt-free alibi! You can actually say "I gave at the office..." and mean it!
6. It's YOUR campaign! You choose the causes you want to support. You choose how much to give. You choose how to give (cash, check, credit card or payroll deduction).
5. It's safe! As far as we know, no one has *ever* died while filling out a CFC pledge form... you don't even have to take safety training first! But seriously, the CFC is audited every year to make sure your money gets where you intend it to go. Also, each nonprofit organization in the CFC is screened annually by a committee of federal employee volunteers.
4. It's good Karma! (Heaven knows some of you need it to counteract the other Karma you are generating around here.) Did you know studies show that giving actually makes you richer? Really!
<http://www.freemoneyfinance.com/2009/11/turns-out-giving-does-make-you-wealthier-and-happier.html>
3. It is tax deductible! Wow, don't we ALL need a tax break these days?
2. David Letterman wants you to give!
1. When you give, you Show Some Love to help others! (Plus, it is this year's theme.) A modest payroll contribution won't be missed, but it will add up to a meaningful annual contribution to benefit a family, an individual, or a cause that matters to you personally.

So, how do we make this easy, environmentally friendly, non-fattening, enriching and Karma-inducing gift? Easy. Just visit the www.intermountaincfc.org and click on one of the "GIVE NOW" buttons for either CFC Nexus, myPay, or Employee Express..

Payroll deduction pledges will not begin until January 2017 and will remain in force for one calendar year. Thanks, and happy giving!
